Overview

Surf in style. Your HTC Wildfire S knows that the online world, is your world. Being offline is not an option. With the HTC Wildfire S, surfing the web is easy. Enjoy multi-window browsing, watch text resize automatically on screen as you zoom in and out, and simply highlight text to quickly look up what you're reading about on Google, Wikipedia or YouTube. You're as connected on the move as you are at home.

Snap, tag and share. Whether it's a photo you've snapped with your HTC Wildfire S camera, or one you've received, it's easy to share it on Facebook and other social networks. Select any photo you want on your phone, upload it and tag it for all your friends to see.
