## Overview

HTC Touch2 is ready to help you with all the things you want to do on your phone. Stay in touch with your friends, find out what they're up to on Facebook, check your mail, or browse the web. It's all at your fingertips in a compact phone that fits nicely in your hand.

Ready to do even more with HTC Touch2? You can add games and applications from the Windows Marketplace to personalize your experience. And you can keep your stuff safe when you back up to Microsoft's My Phone servers without a PC.
