linx

Linx 10^{V32}

Kick back and enjoy the view.

Brilliantly portable and perfectly productive, the Linx 10V32 gives you a tablet experience without limits. Powered by a quad-core Intel Atom x5 processor and Windows 10 Home, all of your favourite games, apps and videos are brought to life on the stunning 10.1" display.

Look. No hands.

With an integrated kickstand forged from aluminium, the Linx 10V32 brings hands-free viewing that gives you the best experience whether you're watching blockbuster movies and TV programmes, playing games, or staying productive using apps like the included Office mobile suite.

Want a keyboard. We've got you covered.

The sleek Keyboard Cover seamlessly turns your tablet into a fully fledged laptop, ready for you to make the most of the Windows 10 operating system. Featuring a full QWERTY layout, individual island-style keys, and a trackpad with gesture support, the Keyboard Cover lets you keep the portability of a tablet, with the flexibility of a tablet.

Complete connectivity.

With a full-size USB port, the Linx 10V32 lets you connect all your external devices wihout the need for additional hubs or cables. Whether you need files from your external HDD, prefer to use a mouse when working, or just want to plug in your Windows Xbox controller for a better gaming experience, the Linx 10V32 lets you work and play the way you want to.
