

Linx 12^{V32}

Kick back and enjoy the view.

At home or on the road, in the office or at meetings, the Linx 12V32 keeps you entertained while you stay productive. Powered by a quad-core Intel Atom x5 processor and Windows 10 Home, the stunning 12.2" HD display delivers enough real estate for you to snap multiple app windows and maximise your productivity or enjoy all of your favourite games, videos and TV programmes on the big screen.

Look. No hands.

With an integrated kickstand forged from aluminium, the Linx 12V32 brings hands-free viewing that gives you the best experience whether you're watching blockbuster movies and TV programmes, playing games, or staying productive.

Want a keyboard. We've got you covered.

The sleek Keyboard Cover seamlessly turns your tablet into a fully fledged laptop, ready for you to make the most of the Windows 10 operating system. Featuring a full QWERTY layout, individual island-style keys, and a trackpad with gesture support, the Keyboard Cover lets you keep the portability of a tablet, with the flexibility of a laptop.

Complete connectivity.

With a full-size USB port, the Linx 12V32 lets you connect all your external devices without the need for additional hubs or cables. Whether you need files from your external HDD, prefer to use a mouse when working, or just want to plug in your Windows Xbox controller for a better gaming experience, the Linx 12V32 lets you work and play the way you want to.
