

Warranty

The condition of this warranty and our responsibilities under this warranty are as follows: Warranty is non-transferable, and is limited to the original purchaser only.

- * You must be able to prove the date of original purchase of the unit with a dated receipt.
- * The warranty is not applicable if the product has been subject to abuse, improper installation, modification or repair by unauthorised third party.
- * The responsibility of the supplier's products shall be limited to the repair or replacement of the product at its sole discretion.
- * Specially exempt from any warranty are limited-life consumable components subject to normal wear and tear, such as batteries and other accessories.
- * Supplier will not take any responsibility if the failure of the unit has resulted from accident, abuse, misuse, or any unauthorised repair or modification.
- * This warranty gives you specific legal rights, and you may also have other rights which vary under local laws.

Notes:

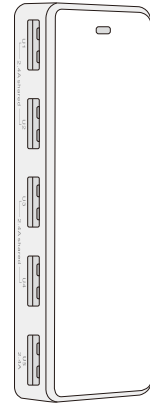

- Always start your vehicle engine first then connect USB4SC charger.
- Read this user manual carefully before use, damage due to incorrect use will not be covered by warranty.
- Ensure cable does not present tripping hazard.

Caution

- Do not cover USB4SC. Unit may become warm during use, allow reasonable ventilation.
- Do not pull on cable to remove from vehicle's accessory power socket; only remove by pulling the charger head.
- Do not trap or compress power cable.
- Do not disassemble or attempt to repair.
- Do not insert anything into the device through ventilation holes, may cause shortage, overheating or fire.
- Product shall not be placed on any flammable object.
- Clean only with soft fabric cloth, no chemicals or liquid shall be used.
- Keep the product dry. Only to be used in dry environment.
- Only use power cable provided.
